

EXT.LUNCH PATIO-DAY

CU. Of lips kissing. We even see the tongues playing with each other.

We pull back to reveal ALEX and AMY making out. They are two teenagers in love. They lean on a wall totally oblivious to their surroundings.

They finally stop. Amy looks at him tenderly.

AMY

I'm so happy. Thanks so much for the gift.

We notice she's holding a box of chocolates and a rose.

ALEX

That's the least I could do for my girl in such a special day.

AMY

I know, can you believe it's been a year already?

ALEX

A year filled with lovely memories and the hope for more.

Amy smiles at this.

AMY

It's been great. It could be greater.

ALEX

Of course, we could spend more time together, we could visit more places, we could...

AMY

It's time. I think I'm ready.

Alex stays quiet. He doesn't quite understand.

AMY

I'm ready for.. You know.

Amy looks at him with guilty eyes.

ALEX

We're still young for marriage if that's what you mean.

AMY

No stupid, I'm ready for..

She looks at him with guiltier eyes.

ALEX

What?

AMY

Do I have to be specific?

Amy mimics a penis penetrating a vagina with her fingers.

ALEX

Oh! What? Are you for real?

She smiles.

AMY

Yes, it's been a year. You've paid your dues. Besides I don't wanna be a virgin forever.

Alex looks around as if anyone is listening to them.

ALEX

I'm, I'm speechless.

AMY

I've been thinking for a while and if there's a person I want to give my virginity to, it's you.

Alex's mouth is open. Amy closes it.

ALEX

How are we going to do this? You wanna go to the bathroom?

AMY

No stupid. I want it to be special and tonight could be that special night. My parents are going to a play and I'm staying home alone.

Alex stays quiet.

AMY

Show up around seven, wait until my parents leave and I'll be there.

ALEX

Am I dreaming?

Amy slaps him in the face.

ALEX
What was that for?

AMY
You're not dreaming.

Alex rubs his face trying to ease the pain.

AMY
So that's the plan. My parents are
leaving at seven. It's going to be
a special night.

ALEX
I can't wait.

Amy kisses him.

AMY
I have to go. Don't forget to get
condoms.

Alex frantically looks for his wallet. He finds it and flaps
it open showing it to Amy.

ALEX
I got five bucks right here.

AMY
That should be enough. I'll be
waiting for you.

She blows him a kiss as she walks away. Alex makes as if he
grabs the kiss in the air and puts it on his lips.

He waits until Amy turns in the corner and lets out a scream
of joy. He can't contain himself. He jumps around flapping
his arms around.

He is so into his joy that he doesn't see someone coming
behind him. He hits a tray of food throwing everything to the
floor.

The plate belonged to KIKI, a tall, muscular kid. He sees his
food on the floor. He lifts Alex off the ground.

KIKI
What the hell are you doing?

He speaks with a rough voice for a high school kid.

ALEX
I'm sorry, kaka.. I mean Koki. I
mean.. Kiki, I-I....

KIKI
Have you seen what you just did? I
just bought that food. I'm hungry
and now I'm pissed.

ALEX
I'm sorry Kiki. I was just happy
about something and I guess I
didn't see you.

Kiki lowers him down. He clenches his fist.

KIKI
There's a solution to this. A new
tray of food or a black eye.

Kiki puts his fist close to Alex's face.

INT.SCHOOL CAFETERIA-DAY

Alex is paying the cashier for the new tray of food he has
just bought. He walks away and hands it to Kiki who is
standing there watching him.

KIKI
Next time, watch what are you
doing. Punk!

Kiki grabs the tray and walks away. Alex stares at his empty
wallet in discontent.

INT.CLASSROOM-LATER

Alex sits in his desk totally oblivious to the lesson. He
looks at the window. He has a faint smile on his face.

Alex holds Amy from the back. He gently kisses her neck. She
closes her eyes. She turns to see him. He kisses her forehead
then her nose and lips. They lie down together on the bed. He
kisses her stomach. He goes for her neck again. They moan as
they do this. He takes off his shirt. He starts unzipping his
pants. She helps him.

TEACHER
Alex!

Alex has his eyes closed. He is sucking his lips.

TEACHER
(now screaming)
Alex!

Alex abruptly opens his eyes and finds the whole classroom staring at him. They all laugh.

TEACHER
As we all can see, our friend Alex
is not interested in our class
today. So, if we want to make this
class more interesting, I would ask
Alex to share his thoughts

Alex is stunned.

ALEX
I, I... I don't have any.

TEACHER
Typical, well if you're going to be
daydreaming, at least have the
decency not to make funny noises
with your mouth open.

The teacher keeps on with his class. We could tell Alex is dying of embarrassment.

EXT.BASKETBALL COURTS-DAY

We see games being played on the basketball courts. It is clearly Physical Education class.

Alex walks amidst boys waiting for their turn to play. He is looking for someone. He finds his friend JOEY and walks toward him.

Joey is also waiting for court. He cheers one of the teams. Alex walks next to him and pulls him aside.

JOEY
Hey, what's wrong dude?

ALEX
Joey, I need a huge favor.

JOEY
Not money again.

ALEX
Please, this is urgent.
